

USA SCHOLARSHIPS AND VENTURES LTD (USAV)

USAV CORE SERVICE: to provide affordable education solution for students to earn quality US & UK University Bachelors and Masters Degrees.

USAV Achieves this by:

- Providing affordable and flexible alternative for the student through Pearson BTEC level 5 Diploma in 24 months and the bachelor's degree in the final 12-15 months with a US/UK University of choice studying on-campus or on-line.
- Providing affordable and flexible alternative for the student through Pearson BTEC Level 7 Postgraduate Diploma in Strategic Management and Leadership in 8 months and the final 12 months for the MBA with a partnering UK University on-campus or online.
- Enabling persons who do not normally qualify for college entry, the opportunity to meet college requirements through programs such as Caribbean Examination Council, US High School Diploma and US SAT examinations as pathway for college readiness.
- Assessing adult students for college readiness- persons who do not meet regular entry requirements but have life and occupational experiences and wishing to earn degrees.
- Enabling practicing managers without Bachelor's Degree but with relevant and valid work skills and experiences to enter the Pearson BTEC Level 7 Postgraduate Diploma in Strategic Management and Leadership and progress to study with UK Universities of their choosing for the final 12 months of the MBA.
- Reviewing college credits earned by applicants for entry into Pearson L5 Diploma.
- Providing students the following flexible modes to earn the Pearson BTEC L5 Diploma and to top-up to the US/UK Bachelor's Degree:
 1. Study online from anywhere in the world without interrupting work or family life by traveling overseas.
